Reviewer's Comment for Publication.

(To be published with the manuscript in the journal)

The reviewer is requested to provide a brief comment (3-4 lines) highlighting the significance, strengths, or key insights of the manuscript. This comment will be Displayed in the journal publication alongside with the reviewers name.

Panchagavya, meaning five cowderivatives in Sanskrit is a mixture of cow milk, curd, ghee, dung and urine, used in traditional hindu rituals and ayurvedic medicine often referred to as cowpathy.

Detailed Reviewer's Report

- Ayurveda is an ancient Indian system of medicine that emphasizes a holistic approach to health and well being. It is based on the belief that the body, mind and spirit are interconnected and that maintaining balance between these three elements is essential for good health.**
