Reviewer's Comment for Publication.

(To be published with the manuscript in the journal)

As a reviewer, I am pleased to accept the research paper titled "*The Impact of Foreign Trade and Foreign Aid: Strategies for Long-Term Economic Development in Nigeria (2000–2021)*". The study provides a comprehensive analysis of the interplay between foreign trade, foreign aid, and Nigeria's economic trajectory over the past two decades. By employing robust econometric models and utilizing extensive data, the paper offers valuable insights into the effectiveness of these external factors in fostering sustainable economic growth. The findings contribute significantly to the existing literature and offer practical policy recommendations for enhancing Nigeria's development strategies. The clarity of presentation and depth of analysis further underscore the paper's scholarly merit.
