Reviewer's Comment for Publication.

(To be published with the manuscript in the journal)

The reviewer is requested to provide a brief comment (3-4 lines) highlighting the significance, strengths, or key insights of the manuscript. This comment will be displayed in the journal publication alongside the reviewer's name.

This research paper brings attention to marginalized female voices and struggles depicted in their narratives, challenging dominant patriarchal discourses. It underscores how the authors portray women's resilience, resistance, and agency in male-dominated social structures.
