Reviewer's Comment for Publication.

(To be published with the manuscript in the journal)

The reviewer is requested to provide a brief comment (3-4 lines) highlighting the significance, strengths, or key insights of the manuscript. This comment will be displayed in the journal publication alongside with the reviewers name.

The author needs to add more in the research paper. The research paper should have around 3000 words.

Detailed Reviewer's Report

Positive Aspects:

1. The author has declared the actions of Kunti as important in shaping the events of the Mahabaharta.
2. The author has presented the character of Kunti clearly from the feminist point of view.
3. Despite presenting some characters from a feminist point of view the author also takes into consideration the women who caused destruction in the .lives of the other women for example Satyavati as explained from lines 85 to 96.

REVIEWER'S REPORT

Negative Aspects:

1. Though the author has taken up an interesting topic to work on but he/she could have added more.
2. The author could have taken up more female characters for comparison. The research should not be limited to a few characters rather than it should be more comprehensive.
