### Reviewer's Comment for Publication.

This manuscript provides a comprehensive study on the Prophet Muhammad's interactions with non-Muslims, supported by authentic hadiths and historical sources. It highlights the principles of justice, mercy, and coexistence as fundamental values in Islamic teachings. The research is significant as it addresses misconceptions about Islam and promotes interfaith understanding in contemporary contexts.

## Detailed Reviewer's Report

### Improvement:

- Some sections (e.g., definition and categories of non-Muslims) are too lengthy and may distract from the main focus.
- The methodology section needs more detailed justification of the analytical approach.
- The conclusion could be strengthened by explicitly connecting historical lessons to modern societal applications.
