Reviewer Name: Dr.Mithilesh kumar shukla

Reviewer's Comment for Publication:

Psychosocial skills means to adopt positive attitudes in the field of social interactions. Positive educational practices are approaches and strategies that foster effective learning, student engagement, and a supportive classroom environment. This practice Focus on students' interests, needs, and learning styles to personalize instruction and increase motivation. The flipped classroom approach originated in the United States. flipped classroom is a pedagogical approach that involves reversing and adapting the learning activities traditionally offered to students. flipped classroom facilitate several advantages such as Exchanges between students in class allow them to test their ideas, deepen their learning and practice collective work.

.Recommendation: Accept after minor revision , 1- Give five to seven key word. 2- Give th detail work of Moroccan Foundation for Training in Psychosocial Skills (FMFCPS)

Detailed Reviewer's Report

STRENGTHS:

- 1- In Morocco, the Moroccan Foundation for Training in Psychosocial Skills (FMFCPS) has set up a training program in skills for adults.
- 2- This study emphasis on various skills: self-esteem, stress management, marital skills, non-violent communication.
- 3- The target audience was heterogeneous, made up of teachers (primary, middle school, high school), parents, caregivers,
- 4- Active pedagogy promotes deeper understanding, motivation, and skills development, preparing students for lifelong learning and complex problem-solving.
- 5- the number of psychosocial skills continues to increase to arrive at a distribution that organizes.
- 6- These parental skills also have an impact on children and adolescents: good self-esteem, greater resilience, better academic performance,

REVIEWER'S REPORT

7- flipped classroom is a pedagogical approach that involves reversing and adapting the learning activities.

WEAKNESSES:

- 1- experiential pedagogy, in which subjects & area can it be done.
- 2- Animate a cognitive dialogue sessions also conduct only students with a higher level.
