

REVIEWER'S REPORT

Manuscript No.: IJAR-56032

Title: Study on Prevalence, Identification and Antifungal Susceptibility pattern of Dermatophytosis

Recommendation:

- Accept as it is **Yes**.....
- Accept after minor revision.....
- Accept after major revision
- Do not accept (*Reasons below*).....

Rating	Excel.	Good	Fair	Poor
Originality		yes		
Techn. Quality		yes		
Clarity		Yes		
Significance		yes		

Reviewer Name: Dr. Hem Nandani Pathak

Detailed Reviewer's Report

It is well-organized methodology and clear presentation of findings, delivering useful information yet there are a few minor areas where further additional details may increase accuracy:

- Mention the study design: it seems it is descriptive cross-sectional study.
- Mention the reference of sample size calculation.
- Mention sampling technique.
